## Student Drop Off and Pick-Up

**Let's Work Together to Ensure Student Safety!!!**

The Kiss and Ride lane is located on the west side of the building by the parking lot. This lane allows an adult to drop-off or pick up their child without getting out of the vehicle. Vehicles should never be left unattended in the Kiss and Ride lane. The area in front of the school is a designated fire route. There is no stopping at the front of the school at any time. This area is for buses and emergency vehicles only.

### Kindergarten & Grade 1 Student Pick Up.

Kindergarten and Grade 1 adults picking up student are asked NOT to use the Kiss and Ride lane since these students require an adult to pick them up at the door. Please park in the parking lot or the adjacent streets and walk to the appropriate dismissal door.

### Kiss and Ride Procedures

To ensure the safety of our students we require all parents using the program to follow the procedures outlined below:

- Use the Kiss and Ride lane to drop off or pick up your child
- Do not use the drive-thru lane for dropping off or picking up children
- Move up the Kiss and Ride lane as far as possible to maximize the number of cars using the program
- Do not get out of your vehicle
- Do not back up
- Students must be able to exit and enter the car independently
- Students must exit the car using the passenger side doors only
- Please follow staff directions when you are asked to move up, drive away, etc.

### Driving to School and Parking

If you are using the parking lot to bring your children to school, please do not cross through the drive through and Kiss and Ride lanes. Use either the paved area close to the field or the crosswalk at the beginning of the Kiss and Ride lane.

Please remember that student safety supersedes parents' convenience. Staff members are on duty to ensure that our students are safe. If you have concerns or suggestions about our Kiss and Ride procedures, please put them in writing and hand them in at the office. Please do not openly address staff with inappropriate comments or gestures.

## Walking to School

Students walking to school are asked to use the fenced pathway around the parking lot which leads to the field. This is for the safety of the students so they do not have to cross the parking lot.

Members of the Brampton Safety Council will be visiting the school and making recommendations. We will let you know if changes are necessary after these consultation meetings.

Please remember that student safety supersedes parents' convenience. Staff members are on duty to ensure that our students are safe. If you have concerns or suggestions about our Kiss and Ride procedures, please put them in writing and hand them in at the office. Please do not openly address staff with inappropriate comments or gestures in front of our students.

Thank you for following our procedures and making our parking lot safe for our students!
